Entered at the post-office at Keytesville, Mo Thursday, August 18, 1891.

Border County Notes.

SALINE.

ROBERT RUMMONS, a 14-year-old lad, of Grand Pass, Saline county, was arrested at the home of his pa rents on Monday of last week, charged with criminal assault on three little girls in that vicinity, and is now Thursday morning of last week. in jail awaiting the action of the After amusing himself in that way for grand jury.

BARTHOLDI, a famous trotting borse belonging to T. C. Graves, of Miami, fell between the cars and platform while his trainer was trying to load him on the cars at Slater on Saturday evening of last week. The noble animal was considerably injured, and his brilliant campaign will terminate for this season.

A little three-year-old daughter of also pay to cut. Mrs. Ainsworth, living near Gilliam, drank an ounce of paragoric on Wednesday evening of last week and was soon under the influence of the drug. A physician was called in, however, who administeredemetics, and it is thought the little girl will recover.

The Young Men's Christian as sociation commenced a camp-meeting at Slater on Tuesday of last week. Eminent divines from different parts of the state are taking a hand in the proceedings. This association has become aggressive in its christian endeavors.

Henry Halvey, a boy tough, was apprehended at Slater one evening last week. His arrest was made at on his premises this year. The the request of a railroad employe, strange part of Mr. Sears' complaint he was riding a stolen horse. The found on his farm before. sheriff of Macon county was immediately notified.

The capitatists and stockmen, of Slater and vicinity, are discussing the skunks in the hollow roots of the propriety of organizing a fair association at that place. This move two swarms of bees and a prodigous ment grows out of the fact that the fair at Marshall is a financial failure, low limbs. and will be discontinued hereafter. Saline is a great county and certainly ought to maintain at least one ford house in Huntsville five or six

A coon drove into the rear end of C. W. Williams' buggy, at Gilliam, on Saturday night of last week. This, of course, provoked Williams' ire. Arming himself in Buffalo Bill style he went out to look for his man. took an extra police force to keep Williams from cleaning out all the negroes in town that night.

The Marshall base-ball team again crossed bats with the Armstrong team on the grounds of the former, near Marshall, on Friday of last week. As usual the Armstrong boys were victorious, scoring 23 runs to Marshall's 16. Both sides did some good work on the diamond.

An engine, weighing 80,000 pounds arrived at Slater on Friday evening of last week, over the Chicago, & Alton railroad, and went into the shops at that place for slight repairs. the dock yards at that place.

CARROLL.

walk across the Santa Fe railroad beyond. bridge, over Moss creek, one evening last week, and while doing so became frightened at an approaching train and made a misstep and fell from the bridge receiving serious, but not fatal injuries.

Carrollton, while driving into town on Sunday evening of last week were thrown from the vehicle and both received very serious injuries. The accident was occasioned by the horse running away and turning the buggy ing of last week. They were travel-

A daughter of Sampson Marks, a farmer living near Bosworth, was thrown from a cart on Saturday of last week, which resulted in breaking one of her arms. Her mother then got in the eart, and started to drive to the harvest field to notify her husing well at last accounts.

The colored Baptist church, at De Witt, celebrated emancipation day on Saturday of last week in a beau-Music for the occasion was furnished by the Brunswick colored band.

Anthony Martin, one of the piofrom his carriage on Sunday evening of last week and received injuries that are likely to prove fatal. Mr. Martin is in his 89th year and is a highly respected citizen.

George Kerby, a substantial farmer, living near Coloma, was bitten by a copper-head snake on Thursday of last week while getting some corn out of an old house. His hand and arm were so badly swollen for several

days that his life was despaired of. He was still in a critical condition when last heard from.

The circuit court of Carroll county was in session last week. It was a clear case of a mill without a grist and the lawyers had to employ themselves in some otherway. Thegrand veloped. jury, however, got its work in well. against the illicit vendors of whisky. finding some 18 indictments against

RANDOLPH

A horse attached to a delivery wagon, at Moberly, ran away on some time, he finally ran into a room occupied as a lunch counter, scatterconfusion.

and one of the pioneers of Randolph county, has cut and put up 97 large stacks of hay this season from 102 acres of meadow. He has one hundred acres of pasture which it would

Sheriff W. T. Damerson went to Santa Fe, New Mexico, last week after the notorious negro, George Tandy, who escaped from Huntsville jail several weeks ago. Tandy's father is in the employ of the governnent at Santa Fe.

The police of Moberly made a raid on a crap dive in that city on Friday of last week. Six bucks were captured in the room, taken before Judge McNinch and fined in the sum of \$10 and costs each. The seventh made his escape by jumping through a window in the second story.

Mr. B. M. Sears, living near Clifton Hill, complains of rattlesnakes, copper-heads and other kinds of reptiles who knew the boy, and believed that is that these species have never been

> captured 12 ground hogs and 10 the United States. same tree. On cutting the tree down lot of fine honey was found in the hol-

A stranger stopped at the Rutherweeks ago, leaving a small bundle with the landlord, and then mysteriously disappeared. One day last M. Armstrong, of Brookfield, went week the landlord unrolled the bundle, and found a woolen shirt and a to attend a meeting of the directors pair of trousers, saturated with of the Springfield, Sedalia & Marblood. The shirt had a bullet hole shall Railway company. The object in the breast, indicating that there had been foul play somewhere.

Another sensation was created in Moberly on Thursday morning of last week by an old negro carrying the remains of a dead white child to an undertaker, in that city, and saying that the parents of the child week after a boy by the name of would be there in the afternoon to Henry Halvey, who is wanted in get a coffin and bury thechild. They never came, and the police have been looking for them ever since.

HOWARD.

Emmett Finnell, one of Howard county's most fascinating young dudes, attended Forepaugh's great It was a government engine on its show, at Marshall, on Friday of last way to San Francisco to be used in week. He went to sleep on the train, as he and his companions were returning and his companions could not rouse him. Finally he was taken A Mrs. Phillips, living a few miles from the train by the brakemen, west of Carrollton, undertook to after being carried several stations

Robert Yancey, one of Howard county's most thrifty and enterprising farmers, is out of luck again. He went to Roanoke the other night to attend a festival, and while preparing to go home, a Salisbury dude ran in-Mrs. Charles Parks and her sister, to his bran new buggy and made Miss Teeny Harrison, living near kindling wood of it. Only a short time ago Mr. Yancey had a team of mules to run away and tear a bran

> new mowing machine to pieces. A couple of strangers stopped at the wharf, in Glagow, on Tuesday evening down the Missouri river in a neat and handsome little screw propeller, run by a small gasoline engine. They were very accommodating and took many of the Glasgowites a ride
